

COUNCILMEMBER DONNA FRYE

City of San Diego
Sixth District

MEMORANDUM

DATE: July 30, 2003

TO: City Attorney Casey Gwinn

FROM: Councilmember Donna Frye

SUBJECT: Unsolicited faxes

Over the past seven months I have been tracking the large number of unsolicited faxes being sent to the District Six office fax machine. As a result, I have been able to build a history of which companies have repeatedly ignored my requests to discontinue the unsolicited faxes to my office. To date, I have received over 50 unsolicited faxes from one company alone and I will continue to track such violations. Your office has done some research in finding out which companies continue to fax unsolicited advertisements to my office. However, at this time, I would request that you review this matter and take action to the fullest extent possible within the law against these companies on behalf of the City of San Diego. I feel it is important to enforce the laws set up to protect people against the companies in question.

Thank you for your attention to this matter. Your timely response is greatly appreciated.
